

*To the families of Earlham
Glen Haven and Lutherania*

As an additional service to our lot owners, we are pleased to offer a selection of the fine quality holiday decorations, a perfect expression of devotion remembrance.

In memory of your loved one, we will place the decoration of your choice for the Christmas season. Price includes mounting the wreaths on a sturdy easel and installation.

All items will be removed during our annual clean-up starting March 15th.

Enclosed is a color brochure on styles of decorations which are available. These items are on display in our office along with other selections. Please feel free to come in and make a personal selection.

We urge you to complete the enclosed order form promptly to assure availability of your choice and timely placement for the holidays.

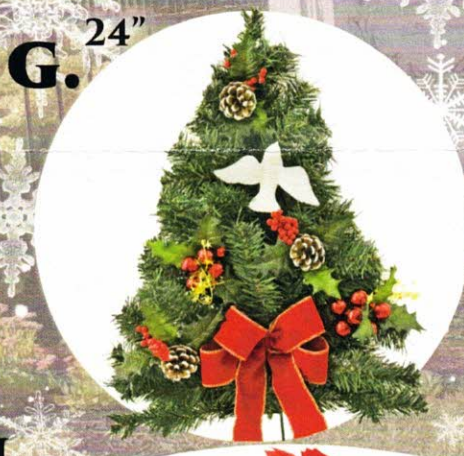

*Happy Holidays
